With most majority of the grandkids for his final birthday party on earth, he was very happy this day. He just kept looking around at all of them with the most precious smile full of pure content . He most definitely knows he is loved

I am saddened to read Tiny's obituary this morning. I worked with Tiny 50 years ago at Day's Gulf Servicenter in Bethesda, Md. My Dad was the manager of the station. Tiny and I had many after work escapades where he basically looked after me as an 18 year old. My family moved to Spotsylvania 7 years ago and I have often thought about where Tiny was as I knew he came from Louisa County. My thoughts and prayers go out to Lester and his family and I will try and make it to his Memorial Service. I have many kind thoughts of Tiny. Rest in Peace Lester! Tom Rorrer
