I would like to thank Bobby for all the memories he gave to me. His kindness, support and sharing with others will always stay with me. There is one memory that stays with me. I remember when CCHS and Eastern View split, I had committed to host a Baseball Show Case with Bobby McKinney Baseball/Perfect Game at the American Legion Baseball Complex to support kids from both schools. This was a National Event and took me a year to get it scheduled. I knew there was going to be a lot of work needed to host the event since this was a National Event, what I didn't know was, I was going to have complications from a knee replacement. I contacted Bobby and he was more than willing to step in and assist me with the field maintenance and organizing the event even though he did not have a child attending either one of the Culpeper Schools. The event was very successful due to his drive to help me and others involved. There are so many good memories I have of Bobby... too many to name them all. He always was there when I needed someone to lean on, My heartfelt condolences to the family, Kyle
