Dennis and I knew each other from our time on Okinawa and In Frankfurt. We had fun working on his car, bagging groceries on Saturday, or stopping somewhere to grab a beer. We both always wanted to know what the other was up to. We lost touch after high school except for one time we got together at our apartment in Bethesda after I got married. He was a good soul and I will miss him.

Dennis was a good friend. I would always ask Robert Richards (K4GVH) about him and Barbra every time I spoke with him. My memories would be the antenna raising over at Roberts house. The Carolina Windom antenna raising. The club testing back in I wanna say 2007 with a few other now SK members. The list goes on...Rest well my friend will meet again. Earl Blakley KB3HAK
