We only just found out about Jackson's passing here at AFIT. Jackson was one of our absolute favorite student employees when he attended Umass. We saw nothing but a bright and successful future for him, as he was so polite, kind, and talented. We are all so devastated at this loss, and we wish nothing but peace and serenity for his family and friends. We will continue to tell our students about what a great person he was and keep his memory alive here. This is a loss that will be very hard to come to terms with for many of us. Jennifer Nadeau

I got to know Jackson when he was a sportscaster on WBZZ, the Clearview Elementary School news show. :-) He was a natural! I have always enjoyed bumping into him and Austen through the years, and hearing about their lives... and trying to recognize them through their beards! All of our love to all of the Greene family. Such an honor to have known your Jackson.
