Donna and Faye, We share with you in your time of grief. Vicki and I can remember her from our childhood. Please know that we are thinking of you and all of your family members at this time. Though I had not seen her in many years, I remember her as a kind and gentle person and always ready to share a smile or two with you. Rest in peace, Falmer, I have many wonderful memories of staying with you as a child, you were always good to me.. I still laugh when I think about coming up to the Louisa Nursing Home and you telling me that I did not need to eat any fries because I was big enough already..I could see you getting weaker with each visit in Carriage Hill, and for the past couple of months, I could hear in Mama's voice after the weekly visits that she feared you were in pain. You were a wonderful person and we are at peace knowing you are in a better place with no more pain or suffering..You will be miss..Love you.Cathy Brooks Hairfield
