So saddened to just learn of her passing. It had been many,many years since we were in high school together, but I remember what a kind friend she was to me my senior year. "Shirlee", as she sometimes signed her name, wrote an honest, down-to-earth, sincere goodbye in my yearbook, which I treasure.Patrick Alther

So very sad to hear of Shirley's passing. I remember her fondly when we attended Alum Spring back in the day. She was always so nice. In later years, I would see her at the Farmers Co-op as my brother, Larry, works there. She will be missed, yet I know we will see her again someday. May family and friends, be comforted today and in the days to come with fond remembrances of this very special lady. Lori Pullen, Madison, VA.

We met as young mothers dropping off our first born at Culpeper Baptist kindergarten over 45 years ago. We became life long friends. She was always the same wonderful friend whether it was at her work place or out shopping. We would exchange news about our families and our daily lives. I will miss seeing her and getting updates on her family. She was a dear friend and I pray God's blessings and peace for her family.
