I loved jack no one can be as good of a friend as you were. I also remembered the time when me and you sucked back 21 cold ones in 1 hour.

A better neighbor would be impossible to find. Jack and JoAnne, you were so welcoming and nice to us when we moved across the street. We never saw the two of you without a smile or nice thing to say. We always enjoyed your company and hospitality and we are heartbroken knowing we won't get to see Jack again. We will never forget the memories of Jack sharing baseball stories or shooting hoops with the boys, entertaining our locked out daughter, or sending the early morning visitor across the street to get the stop sign replaced. Goodman Road has never been the same. Sending strength and comfort from our family to yours. Love, Tom, Terri, Tommy, Curtis and Jenna
