Frances,I don't know what to say to you about losing John. I know that he was your life and you are going to be lost without him. I am so sorry that he left us at such an early age. I can still see him, you, Milton and myself playing set back at Keller's. What wonderful memories. My deepest symphathy goes out to you at this time of your life. I know what you are going through and let me tell you that it will get better with time. Just don't let this get you down. You are in my prayers and thoughts at this difficult time. John was such a wonderful person and was a light in anybodies life that he touched.Jeanne Jones

I'm going to miss John beating me at Yahtzee. He always told me what moves to make and that I would be sorry if I did different. Usually, he was right. He sure had the lucky dice. I miss all the times he helped me and went with me to Orange for oil changes and we'd eat breakfast at Hardee's.Hazel Goode
