I met Joyce 40 years ago when I went to work for the sheriff's department. She was absolutely the sweetest most caring person I've ever known. When you needed a friend she was always there, for any and everyone. Joyce's smile would light up a room like you wouldn't believe. She was someone you could count on no matter what. Chuck and Keith were the world to her. She loved her boys. I will always remember the times at work when she would take a break and come sit in the dispatch office with me. We would talk and laugh about the craziest things. Everyone in that department would go to Joyce for advice or talk about their problems and she always made time for everyone. Her loyalty was beyond measure. I'll never forget her kindness and her friendship. To Chuck and Keith please know I'm thinking of you at this sorrowful time.
