May the wonderful memories that we shared give us the peace and comfort that our heart needs. May the love of friends and family reassure us that we will never be alone in this journey. I want to express my deepest condolences for the loss of my beloved Nanny. Even if we knew that it was only a matter of time, there's really no way to prepare for the loss of a loved one. May her soul rest in eternal peace. She was a fine lady who truly led an extraordinary life. She meant so much to all of us that loved her. May we be comforted by the outpouring of love and good wishes, and have the strength to carry on life like Nanny would have wanted us to. Nanny was one of the kindest, sweetest, and most compassionate people I ever had the known. May God give us the peace and comfort that we need in these challenging times. I still can't believe that she's gone, and it hurts that she will no longer be around to enjoy the special moments of our lives with us. I pray that God will grant her eternal rest, and all the loved ones she left behind will find peace and comfort in these very sad times.

Marion was a kind, loving woman with a heart of gold. I always enjoyed being in her company. She loved her family very much. She was very competitive when it came to bowling. She enjoyed it so much. I will miss her smile and that stern look she could give you sometimes. RIP Marion

Marion Weaver was an amazing lady. She would make sure all of us at the fire house walked a straight line. She was a mother hen to all of us. It was a blessing to have had the pleasure of knowing her and will be missed.
