Grammy was a very special lady! We will never forget all of our special memories together. One special memory was at the pig roast when Grammy wanted ice cream so she had the truck come and bring everyone a treat. She was such a kind and loving person! She gave the family and everyone who knew her so many precious memories! She will live in our hearts forever. We thank God for the blessing of knowing Grammy! With love, Pat and Buster

Mother...you have been such a wonderful part of our lives...you will be missed so much. We've laughed and argued...mumbled and complained together for years. I remember back in 2004 when you said Rick and I had to get married 'cause you were getting ready to die and you wanted me for a daughter-in-law before you died. Well, that's been almost eight years now so you certainly tricked us in to that one! But thank you...it's been a wonderful eight years. I love you and will miss you. Roni
