To the Family I am so sorry I wasn't at the services, just hearing about Uncle Jerry. He always had a smile for every one. He was funny in his way with people and I will miss him. To the family, I just lost my Mom and I know how difficult it is without your parent and we always want the best. I know he is in a better place and hurts no more, but it doesn't stop you thinking of him and loving him. My thoughts are with you and I dedicate the song to him "Precious Lord take my Hand". Love you Uncle Jerry, say hi to mom for me. Shelva Lear

I will miss Mr. Brenner. He was a pleasure everyday when I delivered his mail. He was such a pleasure to talk to. I enjoyed many conversations. He was so kind and always soft word to share. We shared many stories and laughs. He will be missed!

Death leaves a heartache no one can heal, love leaves a memory no one can steal.

"Farmer Brown" is what I called you. Thanks for being a dear friend to my Grandparents throughout the years. For I learned so much from your friendship with them of what it truly means to "love thy neighbor." The practice of this in regards to borrowing machinery, harvesting crops, and a willingness to help truly represents how Christ wants us to live our lives. My visits with you, at Culpeper Hospital, Culpeper Rehab, and Amerisist brought me comfort for I was amazed by clarity of your mind in sharing about the good old days. I appreciate your Faith in Christ and am looking forward to joining you and Mrs. Brenner worshipping around God's throne. I hope you remembered to tell Grandad hi from me. My condolences to Harvey, Carolyn, and Gwen along with the rest of the family. -Paul Estes
