Barbara Ann Jett

JUN 23, 1950 - MAY 17, 2020

Barbara Ann Jett, 69, of King George County, passed away Sunday, May 17, 2020.

Barbara was a truly special woman. She was a loving wife, mother, grandmother, and good friend to all she met. She loved with all her heart but was not afraid to speak her mind when the situation needed it. She enjoyed many things in life, but none more so than her family and babysitting for grandchildren and for many family friends. She enjoyed spending time at the beach and family get togethers. She was an excellent cook and loved seafood, especially crabs. Crab season was probably her favorite time of the year. She was a hard-working woman who poured her soul into everything she did, and her strong will always led her to the truth.

Barbara leaves behind her husband of 49 years, Robert Lee Jett of King George; two daughters, Michelle Staples (Daniel) of King George, and Rhonda Stanton (Greg) of Rixeyville; son Robert Lee "Bubba" Jett Jr., of King George; two brothers, Bernard Reed Bowling (Joy), and Audrey Luther Bowling (Pat), all of Covington; three sisters, Ruth Childers and Darlynn (Penny) Ammens both of Spotsylvania County and Edna (Cookie) Midura of Connecticut; 11 grandchildren, Brittany, Danielle, Travis, Jocelyn, Heather, Brianna, Leah, Austin, Jackson, Aidan, and Jocelyn; as well as many other close family members and friends.

Barbara was preceded in death by six brothers, John Henry Martin, Jr., James Rodney Bowling, Gerald Wayne Bowling, Bobby Ammens, Roger Ammens, and David Ammens.

Barbara's family will receive friends from 6:00 – 8:00 p.m. Thursday, May 21, 2020 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg. A funeral service to celebrate her life will be held at 11:00 a.m. Friday, May 22, 2020 in the funeral home chapel. Burial will follow in Sunset Memorial Gardens following the service.

A special note to all who plan on attending any of the services. Due to the current state health crisis, the capacity allowed for services at the funeral home is limited to a maximum of 50%

I lived next door to Barbara my entire childhood. She changed my diapers when I was just 6 months old. She would bring me into her house at 7am, and feed me, take care of me and love me until the afternoon. She watched me get off the bus when I started school and put me on that church bus even though I didn't wanna go. She listened to me when I cried, and hugged me when I sad. I was blessed to have her watch my child when she was only 6 months old. My mom trusted her with her life. We laughed together, and I loved her like a mother. I was beyond lucky to live next door to her, and so thankful for the way she touched my life. She will forever be missed in my heart. I will never forget the things she did for me, and I will always share the memories I have of her. The lord took a great woman. Love you Barbara Christa Leah

Barbara Sunday morning I got up to go walking but it was raining so I went back to your room to watch TV. That's when I got a call from the nurse saying you had passed. My heart broke. My everything is gone. Now I'm all alone. I don't know what I'm going to do without you. You were my first and only love. No one will ever take your place. I know God picked another angel, but he didn't have to take my angel. You gave me three beautiful children and we have a pile of beautiful grand children. I know I can't take the place of the wonderful Nannie you were to them but I will do my best. I know you loved your home place Covington Va. Like Vince Gill says go rest high on that mountain. Until we meet again in heaven. I love you. RIP my sweetheart.

Barbara - you were the best babysitter Kaylee Chew ever had. She used to get a kick when you changed her diaper and call her a "Nasty bustard ". She would laugh. And riding on pop pops equipment. You were a great friend and I'll miss you. I wish I spent more time with you. Love Karen Casamento

Words cannot express the void I feel from losing you mom. You were loved by more than just your family. I'm going to miss your beautiful smile, your loving hugs, your great sense of humor, and your big heart. The unbiased love you show to everyone is a characteristic not many people have. But you did!! My heart aches. I feel numb inside. I feel like the world is spinning but I'm stuck in one of the worst days of my life. That day is Sunday when dad told me that the hospital called and said you had passed. Those are the words that I was dreading to hear all week long. And now my mommy is gone. I know you are pain free but the pain I feel know is unbearable. I love you mom with all my heart and soul and every fiber of my being. Thursday and Friday are going to be one of the hardest things I have to do. Putting my mom to rest 😞.

Barbara, I know how heavy the hearts of your family are without you. Hoping you can catch Mom and Dad up on how Beautiful Michelle, Rhonda and all the Grandbabies are. You leave a hole in our hearts. I still remember when you joined our family and what a blessing you were. Know we will miss you so very much and know you are no longer in pain but still watching over all your babies from afar.
