Brenda, Jonathan, Greg and Lauren, So many wonderful memories of your husband and dad. Parent teacher conferences at school, showing the love of education and hard work. And Charlie on the football field with his boys for what seemed like hundreds of games, as I cheered Clarke on from the sidelines like a maniac mom. My heart goes out to you all. You know how much I have always loved all of you. May the memories of your hubby and dad keep his spirit alive. Much love to all, Kathleen Holter xoxox

I worked with Charlie often when he was with Phoenix Development and I was an Engineering Inspector with Fairfax Water. We had a great working relationship but we were more than that; we were also friends. Charlie was honest, good at his job and great to work with. I've thought of him often over the years. What a great guy! Charlie, you'll be missed by everyone who ever knew you.

Dear Brenda, Jonathon, Greg, and Lauren, We just learned of Charlie's passing. I am so saddened and heart sick for all of you. I hope and pray that you will be comforted knowing that you are loved and thought of at this very trying time. We are here for you always. We will in touch and plan to see you soon. Charlie was just a big teddy bear. Quiet spoken and gentle. My memory of him will be sitting in his chair and giving love and treats to the pups. I count it a privilege that we have all of you as our friends and neighbors. We love you all. With our deepest sympathy, Don and Cheryl

Charlie Mills and I were in the class of 1971 throughout school, and we went through all grades together in Culpeper. He and I were two of three Charlies in Miss Yancey's 4th grade class. A gentle giant, Charlie and I would arm wrestle daily in Mr. Halley's homeroom in 9th or 10th grade, with me usually on the losing end, of course. At our 20th reunion at the former Holiday Inn in Culpeper, Charlie picked me up determined to throw me in the swimming pool. Somehow I managed to escape his grip and remained dry. We were both a bit more refined at subsequent reunions. He was a really great guy that I will miss.

My sweet Brenda and family, our hearts are broken at the news of Charles passing. He will ever be with us in the wonderful memories we've had through the years. Remember when we would load up and go to Best and Toys r us to christmas shop for the kids then we'd go to Chesapeake Bay Seafood House. Charlie made that pilgrimage every year for a long time. It is just one of a list of great Charlie moments. May God keep you and the family in the arms of his loving embrace and ease the heartache of your loss. Love to all the family.
