Ann was truly one of the sweetest ladies that I have ever known. She was always there to give me advice . I could talk to her for hours. She will truly be missed. We we're talking one day and I found out that she used to wait on my grandfather everyday at the Green Palm Restaurant many years ago. I was talking about how I loved applesauce cake but didn't know how to bake one . The very next week she came by with one of the best applesauce cakes that I have ever tasted. She truly was an angel
