Rest in heaven. I'm very great full to have met you and be there for you. It made my day to hear your nice words. You were so gradual to have me as your CNA. You spoke so sweet about my girls, always reminding me to kiss those little ones for you or how precious my baby smiles with her two little teeth! It pains me deeply. I never knew I could feel so attached as I told myself I would never do in this scope of practice but boy was I wrong. Ms. Linda, your the most kind and soft spoken person I know. I'm at ease knowing your pain is gone and your at rest. My condolences to her family as well ❤️.
