Daniel Glenn Scudder

MAR 19, 1962 - FEB 1, 2021

On Monday, February 1, 2021 Daniel Glenn Scudder, age 58, devoted husband, father and son passed away with his wife by his side. Dan was born in 1962 in Washington D.C. to Ernie and Marlene Scudder.

Dan's faith and family were his top priorities. He was an avid boater, most summer weekends you would find Dan, Jeanie, Kyle and Shawn on Lake Anna. Dan was kept on his toes by Kyle's love of practical jokes. They both loved one-upping each other in every way. Dan and Shawn shared a love of football. Friday nights you'd find Dan cheering on Shawn's team.

Dan got the surprise blessing of his life with the birth of his daughter, Hannah, after having raised the boys. Gone were the days of strict parenting when he became "Daddy" to his little nugget. Dan loved having Hannah as his sidekick while working in the garage and on various projects in the shop.

Dan enjoyed being a part of Mountain View Community Church. Sunday mornings were reserved for attending worship service with his family. Additionally, he enjoyed being an active member of a life group.

Dan spent his professional life in the millwork industry as the quintessential salesman. His dedication to his customers and his love of excel spreadsheets were his trademark... because he was "Dan S".

Dan was preceded in death by his father Glenn Ernest Scudder. He is survived by his precious wife and soul mate, Jeanie Lynn Scudder, his boys, Kyle Glenn Scudder (Karen Rivas), Shawn Douglas Moats, and his "Nugget" Hannah Nicole Jeanie Scudder. He is also survived by his loving mother Marlene Gloria Groomes, his sister Tina Marie VanDoren, his aunt and uncle Nancy and Marshall Abbate and numerous cousins, nieces, and nephews.

The family will hold a memorial service on Saturday, February 6, 2021 at 1:00 pm at Mountain View Community Church, Culpeper, VA with Pastor Mark Jenkins and

Uncle Dan was such a wonderful human being with such a big heart, a hard shell, but one of the biggest hearts in this world. I have many memories growing up- playing in his backyard many times, sneaking around his work shop to see all the neat things he was working on. He use to pick me up from school- it was always a surprise when he did! I'd see his big truck out there and knew my Uncle Dan was there for ME. He'd take me to his job sites and I was so proud of him, walked around w/ him like we owned the place! I also remember when he found out the wonderful news he was having his first child, his son Kyle- he was over the moon excited to have a son. I also remember my first time on a airplane was w/ with him and Memaw on a trip to Las Vegas (I was deathly afraid of planes)- I would not have taken that flight if it wasn't for him, I knew God wasn't going to let that plane go down with my protective Uncle Dan and Memaw by my side! We had many wonderful memories there- seeing 'Elvis', winning money, seeing the beautiful Grand Canyon, driving out to Area 51- a trip I will never forget. My heart is with Jeanie, Kyle, Shawn, Hannah, and Memaw every single day- I cannot stop thinking about each of you, I know it's simply inexplicable to experience a loss of this magnitude. Just know, with time, my support and how much I think of you all will not fade, you all are constantly heavy on my heart every single day. I truly hope you all/we all can continue to carry on Dan's legacy in one form another - whether that be cooking big meals, family gatherings, listening to his favorite music, boating, poker nights, I have no problem carrying on his love for deli meats and cheese (I must have gotten that from him- you should see my fridge drawer right now lol), going to church, and just loving and caring for each other the same as he's done for everyone else- what a big heart he carried, I know these are large shoes to fill! I hope you all find peace in knowing one day we will all join him in Heaven, he's still protecting each and every one of you until then, just from a far. I love you all so much!

Because we lived far away we did not get to see Dan very often. We know that he was a wonderful husband to my niece, Jeanie, and a wonderful father to Kyle, Shawn, and Hannah. We never got to taste his wonderful turkey, but saw pictures of the finished product. We remember when we lived in Ohio and Jeanie, Dan and Shawn came to visit us. They got to go to the Football Hall of Fame nearby and buy cheese at Heini's Cheese Chalet in Amish country. Dan was also a talented woodworker. I will think of him when I look at the beautiful wooden cross he made for us. It hangs in our entryway. You are now with the Lord and all your suffering is over. We look forward to seeing you again some day when we join you in Heaven. Uncle Peter and Aunt Dorothy

I was Dan's sales coordinator for many years, he was like a Father to me. One specific memory I have is when Dan would come into the office and we would jam out to Jimmy Dean's "Big Bad John" I had never heard that song before and I liked it so he would play it for me when he was in 😊 that and darn Yani! I'm gonna miss you Dan!!! This is crazy! Love you and rest easy up there.

Keeping the family in my thoughts and prayers. I worked with Dan at Stock in Manassas. He was a hard worker and always looked out for his customers. Whenever I think of him, I always remember his shirt unbuttoned a couple of buttons and his gold chain. I still smile whenever I think of that.

Danny was my first cousin. His father, Ernie, and my mother, Joyce, were sister and brother. Last night I had a dream and I know the dream was because of Danny's passing. The dream indicated that Danny was with the guys and there apparently is a military in heaven. My father was in the Marines for 20 years, Uncle Ernie was in the Army, my grandfather was in the Navy. In my dream Danny was with the guys and you had to show your military ID to go to where they were. There was a beach. Danny is with his family.

To be absent from the body, is to be present with Our Lord. Rest in peace Dan. Blessings and prayers to the family. And thanks for the ride home through all that snow many years ago.

My heart aches for Marlene, Tina and Dan's wife and children. First met Dan when he probably was about 10. Years later he taped our wedding when videoing was just becoming popular. He did such an awesome job. ❤️. Dan rest in Peace, 🙏 Love to Marlene, Tina and the entire family. Linda and Cary
