Mom I will miss you deeply I know you are now at peace. We had alot of good times. Like Darla playing with that toy at night. How you love coming out to the house for a meal I prepared. How you love coloring and books you read. May you know I love you so much and I will miss you greatly.

My favorite memories are when we would laugh together. She could be silly and funny and I loved seeing that side of her. She loved her snacks and her coffee. She loved to show me how she could still dance. I will miss you mom.
