# Savannah Mae Smith

FEB 17, 1998 - MAY 14, 2021

**S**avannah Mae Smith, 23, gained her wings on Friday, May 14, 2021. She was preceded in death by her father, Armistead Marcus Smith, as well as her loving maternal and paternal grandparents.

Savy is survived by her beloved son, Braxton; her mother, Chandra; stepdad, Danny; sister, Lily; cousin and best friend, Hannah; and many uncles, aunts and cousins with whom she shared a special bond. She was also blessed with several childhood friendships that continued throughout her life.

The love of Savy's life was undeniably her cherished son, Braxton. She proudly proclaimed that he was her greatest achievement.

Savy had a very outgoing spirit and always wanted to be around people. She loved spending time with family and friends telling jokes, laughing, singing, dancing and watching chick flicks with her mom. She had an artistic flair and loved to draw, color, and do her hair and makeup and that of her friends and family. She was passionate about art, animals (loved animal prints!), crafting, writing poetry and could crochet beautifully.

It is a family joke that she took the word "no," not as an end result to a request, but as a jumping off point to begin her incessant negotiations, as if to channel her inner defense attorney.

Savy was a beautiful young woman, inside and out. She treated everyone with kindness. She was never one to pass judgment on others. She always stood up for anyone being bullied or put down. She had an infectious smile and laugh that would light up any room.

Her passing leaves a void that can never be filled.

Savy's family will receive friends from 6:00-8:00 p.m. Friday, May 21, 2021 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg. A funeral service will be held at 12:00

Her and I met by a simple twist of fate. Within hours we realized we were kindred spirits and both opened up to one another instantly. She had a sweet infectious laugh and a kind soul and intoxicatingly beautiful. Her blue eyes grabbed my heart strings immediately. We unfortunately didn't spend much time with one another but that small amount was precious and left a permanent place in my heart. Recently she had been on mind so I tried to find her and I came across this Obituary page.. and now my heart is broken .. Savvy hold a place for me in the great beyond and we will have even better times on the next go round . ❤️❤️❤️BK

My very best friend, I love you so much and I miss you more than words could ever say. You lit up every room you were in and made friends no matter where you were. You loved without judgement and was always a friend when needed.. my soul is crushed.. and I find myself lost without my other half but I know you're right next to me forever. I take comfort in knowing your mind, body and soul is free. Heaven gained a beautiful angel. I know your daddy is holding you close and my daddy too. From cradle to grave and beyond my forever best friend.

The first time I meet this young lady. She showed up with a baby. Me being a young mother myself instantly connected with her. Her laugh was so contagious. If you were having a bad day just ask savy to come over. Your mood would change instantly. Her smile was brighter than the sun . Our family will sure miss you. Savy you will always be a part of us forever. P.s. do me a favor, Watch over Destiny and keep her safe. As to her mom , thank you for blessing this world with your very beautiful daughter. Also allowing us to be a part of her. The Coleman family

I will definitely hold on to the memories we made Savannah. You were such a good friend and I knew we could talk about anything... though we fell off for a couple years Hannah always told me how good you were doing throughout time. I pray that Braxton grows up to know his mom loved him more than anything. Praying for you all in this devastating time ❤️

My precious Savy...I am going to miss you everyday of my life! You were so incredibly beautiful inside and out. You had the sweetest spirit and loved everyone and loved life. You always forgave and never passed judgement onto others. Your time on earth was way too short, but I know you are a child of the most high God and are soaring above with wings watching over us all. I will forever love your precious son Braxton and care for him and continue to raise him just like you wanted me to. He will be told daily how he had the most special mommy in the whole world who loved him more than anything in the world! I am utterly grateful that I am blessed enough to have a piece of you still with me. Every time I look into his eyes and put my arms around him I feel you. You were such a blessing to me and although my heart is shattered I know that you're no longer hurting and that I will see you again some sweet day. Thank you Lord for giving me so many special memories with her! I love you Moore Savy !!! 🙏
