I have many fond memories to Cherish of my time with Ms.Alberta, from watching her favorite show "Walker Texas Ranger" with her and after a while, I could say, yes Ms.Alberta, I've seen that one too, or when I'd be sitting there and she would wake up, raise her head and say, are you asleep. It's the small things in Life that mean the most. You'll Forever Be in My Heart 🍷🍷🍷
