Paula...❤️ You my friend, gave me so much love in the short time I knew you, though my brother Kevin. Thank you for coming to our home, the dream catcher in our kitchen, cards you sent us..and calling me May 8th. Especially for taking care of Kevin when he became ill, along with babysitting his kitties when he would come visit us in Richmond. You are one of a kind and in my heart ❤️ one of my favorite people. I feel you in my presence, because you send me beautiful chills when I think of you. ❤️ I will see you again...
