Uncle David is my dad's brother. My Uncle was a hard working man who loved his family very much. My Uncle had the greatest laugh and he would always put a smile on your face. He would do everything that he could to help you if you needed help. He would give you the biggest and greatest hugs when he knew that you needed one. I am going to miss him. I could really use one of his hugs right now. I love you very much Uncle David. Give the rest of the family hugs for me. Until we meet again watch over the family that are left here on earth missing you ❤️
