Jason and Jodie, I am so sorry for your loss. Vickie and I have known each other since we first built our houses. I knew she was moving to a facility but lost contact with her once that happened. Vickie was a warm, loving person and she was very proud of you. I just wanted to extend my deepest sympathies for your tremendous loss. Kathy Seratte

David And Frances Arrant lit a candle in honor of Vickie.

Earlier this year your mom told us that she is moving to an assisted living community but she hasn't yet decided on which one. Davey and I were planning to go visit her as soon as she got settled in and were surprised to learn of her sudden passing. We will always remember your mom as a warm and loving woman and an absolute joy to be around. We will miss her as we miss your dad. Please know she's with him right now smiling from above. May happy and loving memories of your mom help comfort you during this difficult time. With deepest sympathies, Davey and Frances Arrant

Dear Jason and family, I was honored to be your neighbor for over 25 years and respected Vickie. She would spot me walking a dog and stop everything to strike up conversations. She was a delightful lady and will be remembered and missed in life. God bless, Gary Banfield

Dear Jason & Jodie, I have not been able to put my words on paper for the loss of your Beautiful, Funny, warm, smiling Mother. She was caring and always a smile and a chuckle. She loved my brother Johnny (Brooks) and they had a special kind of love for you the love of their lives! I wish I could have come to be with you and Jodie and spend some time with you as I did when Johnny passed. I realized they would have been married on the 9th of September for over 28 years. So now I like to think they celebrated it again together now that they are together again looking down on you and being proud of you in every way. I Love You!!! Auntie Cheryl Brook-Kirby
