I worked with Sonni on many, many Garden Club Christmas decorating adventures at the Lake of the Woods Clubhouse. How Sonni LOVED Christmas! I will always remember her joy at watching the decorations go up and her sadness when we had to take them down. But I never, ever saw Sonni without a huge smile on her face. We will miss you! My condolences to her family.

My deepest condolences and prayers go to Sonni's family for they are surely missing her warm heart and gentle spirit. I knew her through the LOW Garden Club and I never remember seeing her without a big smile. She was kind to everyone and supportive to all. I will remember the sage advice she gave me for the rest of my life and pass it on when the appropriate situation arises. She will not be forgotten.
