Aunt Karen was the most amazing aunt in the world! She played a major role in my life growing up, and my childhood is flooded with precious memories with her! She was always the life of the party, whether we were camping or at a family gathering. You just always wanted to be around her and in her presence! I never forgot that through the years, even after she lost her ability to communicate with us, I never forgot the woman, or the memories that helped shape and mold me! I love you ain't Karen! You will be forever in my ❤️
