This just breaks my heart. Arley and Rachel were a Special part of my life from childhood on. Such a very unique, wonderful man. He and my sweet dad were the best of buddies, and I hope they are enjoying themselves. They don't make them like him anymore, and he will always hold a special place in my heart!!

I have known Arley all of my life. He was a great guy and will be missed by many. A soft spoken man who had a world of knowledge to share. He and Rachael were good friends to my parents and Doug and me. They have been reunited and can catch up on all the good times of their younger days. With our deepest sympathy, Doug and Phyllis Jenkins
