Mary was both a friend and colleague to me for 15+ years at the Department of Commerce (DoC). We shared many years together working, learning, laughing and sometimes even crying together. Mary will truly be missed and never forgotten by all who worked along side her at the DoC.

I worked along side both Mary and Pat at Commerce for seven years. I have many fond memories of that time together. Mary was smart, having strong willed personality, a heart of gold and a sense of humor to match. I am privileged to have shared a small portion of this life together. RIP Mary

I knew and worked with Mary for over 20 years at the Department of Commerce. I always enjoyed our good natured teasing of one another and will always remember her for her good nature and quick wit. She will be missed by all who knew her. My deepest sympathies to her family.

Mary was a good friend to me for many years. We laughed together, cried together and had many memorable holidays together. We already miss you Mary. The holidays just will not be the same. You were the secret elf for my children. You loved ordering pizza for everyone and most of all I will miss you just coming over and having a cup of coffee and good conversation. Mary had a very large heart and would offer to help anyone. Miss and love you Mary. Will never forget you.
