So sorry for the loss of David. I remember many Carter family reunions in Virginia where David, Judy and their parents were there and Uncle Woody (David's Dad) would bring homemade ice cream! Always the highlight of the reunion during the warm Virginia summers at Momma Kate and Daddy Bunks' farm and in Buckingham. Treasured memories never forgotten. God bless you all during this time of grief. Brenda Keller Maser (Momma Kate's eldest grandchild)

Rhoda and Tamara, I was so very sorry to hear of Dave's passing. May God comfort you and the rest of his family during this time! My fondest memory of Dave goes back to when I was a teenager at Lael when each month we had the Men's Breakfast. Dave and my father were always in charge of peeling potatoes! He was such a great person, never at a loss and always had a funny comment. Ronnie Jenkins

We are lifting your family up in prayer. Mr.Carter will be greatly missed by both myself and my husband. We will never forget how much he wanted our daughter to have the biggest and best playhouse when we first moved into our house AND he made sure she got it by Christmas that year; such a sweet man!

To the family of David Carter I am so very sorry for your loss! I thought for sure he would have done great with his heart surgery and was hoping for him a speedy recovery so he could get back on his tractor this spring. David was a great man and he knew his stuff about for the love of Cubcadet mowers. Also he one of the best I have known to be in law enforcement. He will greatly missed by everyone that knew him. At least I had the pleasure of chatting with him on face book. Just yesterday I had wondered how he was doing then I found out he passed away. May God Comfort You All During this Difficult time! He was just a great person. I am glad I got to know him over many years. Sincerely, Debbie, Johnny, Doyne FeaganesCulpeper, va

David was a life long friend and both Darrell and I are so sad to know we will no longer be able to hear his great wit, which always made us laugh. He had a great zest for life and was always there if you needed anything. We have so many fond memories of times with him and Rhoda and recently just keeping up with him on F B, where he was entertaining us all with his wit and knowledge. Our thoughts and prayers are with Rhoda and Tamara and the rest of his family. Rest in Peace my friend! Brent Payne
