Andy, Kenneth, and JasonWe were saddened to hear about Sue's passing. I just saw her back in October at the Melting Pot. I was so thankful since it had been years. She loved you three so very much. Hard to believe she was 27 years old when we moved across from you in Sperryville. Many memories of those years so long ago. I'm sorry I couldn't be there today but know you were in my heart. Our hearts go out to you. Hugs and prayers your way. Love, Kristi Foster Mrotek

So very sorry to lose Bonnie Sue. She WILL BE missed. Her boys and her family were her world, and I can't imagine how difficult this is. If you were anything like me, I just knew that Bonnie was going to pull through this, she always did. Just like a cat always landed on her feet. Bonnie Sue was a dear friend, and will leave a huge void. But, may it add comfort to know that she will suffer no more, no pain, no troubles, but in peace & glory!! May God grant you all peace, comfort and strength during the days ahead. And, the same thing that Bonnie always knew if you need anything or anything Mitzi can do Please call!! Love you all!!!Mitzi

Bonnie Sue was always the smartest, nicest, prettiest girl at Sperryville Elementary! She was always at the church helping out. She had such strong faith. My condolences go out to Andy, Kenneth, and Jason, Jimmy and Billy and the rest of the Dodsons. I am sure she is in heaven with Danny Ray having a ball!
