Mike, Jerry, Robert Friends Till The End posted:

Charles will be remembered by the chancellor shop crew for many years to come. He added stories, laughs and motorcycle memories every time he stopped by to shoot the shit with Jerry Gibson, Mike Newton, Robert Sturgill, Dean and whoever else happened to be there. You could hear the laughter from yards away. We will all miss him very much. Rest easy, ride slow and take it in. Music is an outlet for the soul. Thinking of your wife, children, grandkids and brothers, sisters and friends. You were an inspiration, and a breath of fresh air. Until we all ride again "The chancellor wrecking crew"
