I worked with Lucian at the VDOT District Shop for 30+ years. I was not aware of his death until just recently. I did visit Lucian in the nursing home at Culpeper while also visiting another shop retiree. He was a good machinist and had an excellent knowledge on equipment components. He would take orders from the guys for oysters at Christmas and always had an added treat when we picked them up. He was one of a kind and our memories are good. Johnny Hawkins
