I've been thinking lots about you dear Joanie, Mrs. Good, and to dear Mr. Good. My momma loved you both so much and had so much fun with you all. I'm so grateful that I got to grow up in such a neighborhood that gave me adoptive grandparents like yourselves. Mr. Good used to slip me candy and pocket money when my parents weren't looking and Mrs. Good used to hire me to take care of the cat when you traveled, giving quite a fee for the joy of visiting a cat:) I wish we weren't post Covid and I felt safe coming by in person. But maybe, you can feel a big heart ❤️ sending so much love, gratitude, and joyful memories that I just had to say, thank you. Thank you for sharing love and joy with us, for being such loving and wonderful humans, and for helping me feel supported in tough times. You are both so very loved and cherished. Much healing and gratitude. I love you both. I'm sending big hugs and silly jokes. You were some of mom's favorite people, and grandparents to me. I love you so much. I have no doubt, and full faith that whatever is next, you will be welcomed with so much love and support. Love you dearly. Thank you 🧑

Joan was a kind caring loving woman. I love the memory I had gotten them a Christmas bulb for their tree. Her and Mr. Good insisted we go to the tree and I placed it on the tree. I felt very special to have a small part of their Christmas. That's how she was she would find a way to make you feel special. Hod Speed my dear friend. Heaven surely is blessed to have you there.

Joan was my saving grace. She had a heart of gold and had listening ears as big as her heart. She was like my second mother and gave advise as if my own mother. What a great sense of humor and warm sole. I will miss her but I know she is in a good place now. May we have even a little of her good (Good) wisdom.

We were lucky enough to have Joan be able to attend the wedding of her grandson and his wife, Jeff Richard Mason Good and Tiara Good, in December 2021. She and Jim really enjoyed themselves and it's a memory we will treasure forever. She was loved so much and will be missed beyond words.

Jeff Good sent a virtual gift in honor of Joan.

My wonderful Nana was one of the kindest people I've ever had the pleasure of knowing. My brain is filled with countless memories of me and her snuggled up on her couch when I was a kid, watching a movie together, or sharing a laugh. I will treasure each and every second I knew her, and carry on her legacy by trying to do what she did best, being a good person. I love you Nana, always and forever.- Jeff Good (Joan's Grandson)
