# Raymond Leonard Peters

JUL 17, 1942 - MAR 31, 2022

**R**aymond Leonard Peters, 79, was reunited with his heavenly family on March 31, 2022 at Henrico Doctors Hospital, Richmond, VA. Raymond was born July 17, 1942 in Scott County, VA.

In 1946, his family and six siblings moved to Culpeper. As a child, Raymond suffered cognitive damage from an excessive fever caused by the German Measles. Any intellectual disabilities were more than compensated for by his caring and inquisitive personality and unwavering belief in the Bible and God. To say Raymond was friendly and personable would be an understatement.

Raymond attended Richmond Barber School in Richmond, VA. Afterwards, he returned to the family's farm where he assumed primary responsibility for the dairy operations.

After the farm was sold, Raymond lived in town with his brother, Frank and his wife, Barbara. He enjoyed interacting with members of the community and doing miscellaneous lawn work.

For the past several years, Raymond lived in Richmond with his sister, Mary. He was known as "Uncle Raymond." He was an active and beloved member of Westhampton United Methodist Church where he enjoyed a caring and attentive relationship with his minister, Christy Turner.

Summer vacation with his nephew, Stephen (Amanda) at the beach became a tradition. Raymond loved seeing new sights and traveling throughout the country and Mexico. He referred to the Grand Canyon as a "really big hole." Raymond loved the slot machines in Las Vegas, the sights at Disney World and New York. He particularly enjoyed his annual front-row attendance at the Barnum and Bailey Circus.

Raymond was preceded in death by, his father, Robert Leonard Peters; his mother, Ethel Mae Peters; his step brother, Palmer Gillenwater; his sister, Evelyn Royer; his brother, Frank Peters; and several beloved niece and nephews.

Once upon a time, a penguin named Gary decided he was tired of the cold. So, he packed his suitcase full of spaghetti and set off to find the world's largest rubber duck. He hopped on a skateboard and rode across a bridge made entirely of cheese. Halfway across, he bumped into a confused giraffe wearing roller skates who asked if Gary wanted to join his band, "The Flying Pickles." Gary said yes, but only if the giraffe could juggle pineapples while singing opera. The giraffe agreed, but only if Gary could teach him how to moonwalk. And so, they spent the next two days under a disco ball, eating spaghetti and making questionable life choices.
