Sandra Marie Provencal

APR 6, 1945 - APR 12, 2022

Sandra M. Provencal, 77, of Fredericksburg VA passed away on April 12, 2022.

Sandra was a server sometimes holding up to three jobs at a time for many years to take care of her children, until she met her husband Allen in 1982. She loved to travel to Disney with friends and family and was devoted to her grandchildren. She even worked at a children's clothing store so her grand babies could be the sharpest dressed kids around. Sandra had the biggest heart and would go out of her way to help people.

Sandra was preceded in death by her mother, Dorothy Brady; sister, Beverly Neimeic; and brothers, Donald Brady and Robert Brady. Also preceded by her daughter, Wendy Corbin (Daniel); first granddaughter, Nicole Butler; and adopted son, Melvin Nines. Sandra is survived by her husband Allen of 39 years; her sons, Ronald Butler (Lisa Graham), and Donald Butler (Christine); her daughter, Robin M. Butler Robinson; and stepson, Andrew Provencal.

Sandra wouldn't be who she was today without her grandchildren Edwardallen Robinson, Brandon Robinson (Katy), and granddaughter, Sheree Corbin. Her most obsession the last 1.5 years was her 1st great-granddaughter, Eleanor Robinson.

Sandra's most favorite pleasure would be talking to her favorite niece Joanne Bergstrom and her adopted daughter Kimberly Abdow every Saturday or Sunday.

Another one of Sandra's passions was the love of her animals, Jessie, Trinity, Lokie and all of her grand fur babies.

A private viewing for immediate family will be held on April 15, 2022. In lieu of flowers donations can be made to your local Humane Society in care of Sandra.

Sandi was the neighbor who was the our grand mom and great grandmom everyone needed. She was always there when you came home tired and worn from the day. She always had Cheesecake to die for, cookies made with love, and lots of Halloween candy. She was the greatest gift we could have wished for when it came to our aging Newfs and our next generation of dogs. Always there to give some time and attention. I am not sure what our life will look like without her, but I do know there is a special place in Heaven for her.

For almost 19 years, Sandy was our neighbor and friend. She would do anything for us and our family. Our Grandkids love/loved her and always wanted to go to Sandy's house to talk with her and get some Sandy-love ... her cookies were sought after by all. Her presence will be missed though she will always be with us in spirit. Much love and prayers to the family. Hoskin's
