Beverly Whritenour Wampler

MAY 8, 1960 - MAY 20, 2022

Beverly Whritenour Wampler passed away on Friday, May 20, 2022 at Mary Washington Hospital.

Beverly loved to be around her family and friends. Her heart was big enough for everyone. She loved holiday gatherings and special occasions so she could tell stories about days past. She was known for being the life of the party and had an infectious laugh. Her family mattered most and she was always the first to be there for anyone. She had a heavy heart with a light purse. She loved playing bingo with friends and a trip to Rosie's was never turned down. She has a fine collection of bead paintings she would have proudly showed you. She was a hard worker and a thoughtful person. She was kind and generous. She was full of love and laughter and will be greatly missed.

Beverly is survived by her husband, Charles Wampler; her children, Susan Whritenour, Michael Jason Whritenour and his wife Jennifer, and Jamie Whritenour; her brother, Vernon Whritenour; grandchildren, Brandon Whritenour, Justin Whritenour, Ryan Whritenour, Shawn Whritenour, Alexis Whritenour, Jason Whritenour, Hailey Whritenour and Ethan Furr; and many nieces and nephews.

She was preceded in death by her sisters, Joan Zichittella and Kathey Theresa; brother, James "Jimmy" Whritenour; and her parents, Vernon and Helene Whritenour.

Beverly's family will receive friends from 6:00-8:00 p.m. Thursday, May 26, 2022 at Found and Sons Funeral Chapel, 10719 Courthouse Road, Fredericksburg. A funeral service will be held at 10:00 a.m. Friday, May 27, 2022 in the funeral home chapel. Burial will follow in Oak Hill Cemetery in Fredericksburg, VA.

My Aunt Bev never met a stranger. She was to wild, fun and spontaneous for the definition of stranger to be in her vocabulary. She had a heart of gold, give the shirt off her back to anyone language. She gave me my first dance lesson - The Mash Potato. We would all stand in the middle of her living room floor on Hood Road and Mash it out together for hours. That's probably still one of my best dance moods to date!! Super Bowl XXII - The year 1988. Washington Redskins VS The Broncos. She taught me that when the National Anthem starts playing, you stand up, shut your mouth, and put your hand over your heart. That has stuck with me my whole life. She was the best Aunt any child would have wanted. She have full on food fights with us!.. I'm talking the real deal kinda thing!!.. They got messy, clean up was awful and Charlie hated it but thanks to her I got to experience something most kids would never. Aunt Bev - Thanks for the life lessons, the wisdom, the get my ass in gear and get it done attitude. I'll miss our conversations. I'll miss your McDonald's until Friday store credit. I'll miss watching you paint and learning from it. I'll miss your contagious laugh. I'll miss your crafty talents and your sometimes inappropriate jokes. Most of all I'll miss you! May you RIP - I loved you very much! Sorry I didn't get to tell you as much as I should have.
