John Holland Morse

JUN 21, 1967 - JUN 25, 2022

On Saturday, June 25, 2022, John Holland Morse, 55, of Culpeper, VA went on a prayer walk and was unexpectedly taken home to meet his Lord and Savior Jesus Christ face to face.

John was born in Charleston, SC to John Cullis Morse (Jack) and Erma Holland Morse. He earned a BS in Civil Engineering from the Citadel (Class of '89) and was an engineer/owner with ATCS.

While engineering was his occupation, John's love for his Lord and Savior Jesus Christ was truly his passion and it was evidenced in all areas of his life. In addition to Civil Engineering, he also studied at multiple Southern Baptist seminaries including Southeastern Baptist Theological Seminary, Southwestern Baptist Theological Seminary, where he earned a Master of Divinity, and The Southern Baptist Theological Seminary, where he earned a Master of Theology. He was ordained at Fort Johnson Baptist Church in 1994. A natural teacher, John selflessly used those gifts and served wholeheartedly throughout the years in many capacities, especially in service to his beloved Stevensburg Baptist Church.

John is preceded in death by his mother, Erma Holland Morse.

John is survived by his wife of 25 years, Katherine Bradham Morse and his children: Jackson, Cooper, Sullivan, Hampton, Walker, and Caroline, all of Culpeper, VA. He is also survived by his father, Jack Morse, and his sister, Tali Morse Craven (Chuck), both of Charleston, SC.

The family will receive friends on Friday, July 1, 2022 from 6-8 PM at Found and Sons Funeral Chapel, 850 Sperryville Pike Culpeper, VA 22701.

A funeral service will be held on Saturday, July 2, 2022 at 10 at Stevensburg Baptist Church, 19393 York Rd. Stevensburg, VA 22741 with Pastor Phil Walker, Pastor Jason Walker, and Jackson Morse officiating.

John was a friend and mentor. I first met John when he was teaching a CMAA Standards of Practice class in Chicago in 2005. He is the one that actually inspired me to become a CMAA course instructor, like him. He also influenced my decision to eventually join CH2M Hill. I figured if someone like John worked there, it had to be a good company! After becoming friends, I learned about his passion for ministry and his love for the Lord. That too, was an inspiration. It was inspiring to meet a colleague in our industry who not only openly expressed his faith, but lived it out. I will be forever grateful for his friendship and his example. I was saddened to hear this news, but I rejoice in the fact that he fought the good fight, he finished the race, and he kept the faith. I can hear our Lord saying to him, "Well done John. Enter into the joy of thy Lord."

In life you are not always able to choose, (especially neighbors) however, if you could John and his family would be what you hoped for. He has been such a great neighbor but, an even better father and family man. He will be forever missed as our neighbor and by anyone that knows him. We are certain he is walking the streets of heaven offering to snow blow driveways, bringing up garbage cans, and showing support for things he truly believed in with a smile for eternity. It was heartbreaking to hear the sad news about John. He was supportive, inspiring and calming boss for me on I-66 OTB project. He always was willing to go the extra mile for anyone that worked for him. He is very helpful, caring, and appreciative. He is going to be missed by many of us. My thoughts and prayers are with the family.

John mentored me in construction management and impacted my career at CH2M greatly and I will be forever grateful. We had many long thoughtful conversations (probably talked about SEC football more than we should've). He was a great man and will be remembered. My sincere condolences to the family – Derek Kelley

Nancy Penn sent a virtual gift in honor of John.

I met John in 2006 at CH2MHill and worked with him on different projects until 2017. He was the type of boss that you would want to have in your corner. He always had my back no matter what, he knew that I would always work hard and give it my all to get a job done. He fought for me until I just couldn't work anymore because of the health. He always practiced what he preached. There was never any doubt of what he needed and the loyalty he gave to us we would give right back to him. I want his wife and kids to know that John worked a lot, but always had you all on his mind. I know that it will be tough going forward without him, but you all know he will always be there in spirit. All my love and prayers for John's wife, kids and the rest of his family. God Bless, Nancy Penn

John and I have known each other for 14 years as co-workers on several projects. He has been the heart and soul of the I-66 OTB Project in which he led our team and where he could always be counted on for his ability to help everyone to perform their best. His leadership skills, intelligence, wit and sense of humor was always a joy to experience. He will be missed by all those whose heart he touched, which was to many if not all of us. My condolences to the family, friends, co-workers and all who knew, respected and loved him. Sincerely, Jerry R. Varnon Jr.
