Judy was my cousin, my mother was her "favorite" aunt! Of course she was her only aunt but that didn't matter as far as both of them were concerned. I am just now finding this out in June of 2014 and am so sorry to hear this. To Jim, Kyle, Christopher, Tony and Dan Jefferies we miss you guys and hope all is going well for you. At least we know that Judy is with Betty, Larry and Billie and there is some comfort in knowing that. Love to you all!! Don

Judy, Jim, and family lived down the street from my family 38 years ago. Jim and Judy used to play cards with my mom and dad while all of us kids ran around the house. I have such fond memories of Judy. She stayed in contact with my mom until just a few years ago when my mom could no longer keep in contact. I'm so sorry for your loss. God blessed you with a wonderful soul in Judy. Love,

I will always love my beautiful Q as a second mom.. My heart goes out to all the Q family. I love you all so much and miss you.. I cant help but be a little happy that my mom now has her best friend in heaven with her.. I imagine they are playing cards right about now both watching over the rest of the Q's and B's.family. In fact I think I hear them asking for a back rub..I remember they would wake me up from sleep to rub their backs as they play cards. I have nothing but happy memories of all the time we spent together; Thoughts and Prayers for you!! love youJim and Char

My mother helped to mold me into the man I am today. The way she smiled. The way she would passionately hold the things that were dear to her. The way she would light up with proud eyes when I sang, whether it was to a group or just her and eye sitting in on our couches in the living room. You are missed so much. So much love. I miss you!!
