David Wayne Butler

NOV 26, 1961 - SEP 25, 2022

David Wayne Butler, 60, of Culpeper, went home to be with the Lord Sunday, September 25, 2022. He was born November 26, 1961 in Culpeper to the late James and Bessie Butler.

David is survived by his wife of 34 years, Melinda; two daughters, Candy Monteleone and her husband Nick, Ashley Butler and her fiancé Normand; and one grandson, Nickolas Monteleone.

David owned and operated David's Tree Service for over 42 years. He found a great sense of pride in his accomplishments within this company he operated with Melinda. His knowledge and experience as an arborist allowed him to thrive in a career he truly loved. He could tell you anything you needed to know about trees and had a keen eye for landscaping layouts. David was a man of integrity and his longtime clients knew the exceptional quality of work they could expect from him.

David was an avid hunter in his earlier years, having many prized deer on the wall. He also enjoyed fishing with secret lures and had a strong love for Ford Trucks. For those who knew David well, you knew you'd see him with his favorite beverage, 7-11 coffee, always in his hand. He would never turn down a good cup of black coffee, no matter what time of the day it was. David was a problem solver who thoroughly enjoyed taking on difficult tasks and projects, even if it meant working on a Chevy truck. One of David's hobbies was collecting every tool imaginable and didn't mind admitting he had an obsession. As a PaPa, he enjoyed teaching Nickolas how to operate equipment along with the qualities of being a great arborist.

The family asks for privacy during this difficult time. Services are private.

David Butler will surely be missed by many. I enjoyed seeing him around town on rainy days and I'd run into him at various supply stores. We would talk about Tree Work, and always have a laugh or two. Myself owning a tree care business, I always respected and looked up to David Butler because of his knowledge, experience, his professional work ethic, and his great character. My thoughts and prayers for the Family, and Peace be with you during this difficult time. Timothy W. Frazier

I am very sorry to hear about the passing of David. He was definitely a hard worker and someone that had a great passion for his profession. David was a big contributor for the Brandy Station Vol. Fire Dept. too. For many years, he was always willing to bring his crew and equipment to our Fairgrounds and perform whatever job was needed; in order for us to make needed improvements. This was done each and every time, at no charge to the fire department. Thank you David & Melinda for your continued support. Our thoughts and prayers are with the Family during this difficult time.

David's always been a true character. I am thankful to have known him for many years. He was a true conversationalist with a huge grin and coffee in hand. My thoughts and prayers are with him and his family. They were definitely the highlight of his life.

I've had the privilege of knowing David for the last year. He was always pleasant and well mannered. I called him to ask why a tree was taken down on my property. I can only imagine what he was thinking about whether or not he was gonna get yelled at. I assured him I wasn't upset with him cause he had a job to do. We talked about different trees and his job that he loved and talked about retiring . My heart breaks for you David . His family is in my thoughts and prayers.
