Tammy Hartman lit a candle in honor of Elizabeth "Libby".

Known Libby since I was a little girl. Lived down the hill from her house. Grew up on that street. Great family. Use to love visiting her. Use to play basketball at her house. Even as a adult kept in touch. She did my alterations for years. A wonderful lady. Loved her very much. She was family. They were the best days. I'll miss her terribly. I can see her now telling me and mom to come see her. Rip sweet lady. Gone but not forgotten. You are with Floyd and Will now. ❤️

My memories of her will live with me forever. Aunt Libby was a wonderful person. She always made you feel at home. I will always remember the family gatherings, playing pool in the basement when I was young. I love playing on her piano when I went to her house but mostly I love just going there to visit her. Aunt Libby will be truly missed by so many people who loved her. I am truly going to miss talking to you. You will always be in my heart.

I've known Libby and her family for years! She was the sweetest woman you would ever want to meet! I remember living next-door to her for a few years and it was such a breath of fresh air to have a neighbor like her! She always invited me over for dinner and even during holidays offered her home to me and my daughter. Her smile would light up a room! Libby you're going to be missed I truly loved you and was so glad to have the friendship that we had all those years! Love always!
