Billy and I grew up together riding ponies and horses. He was a great rider and always wanted to be a jockey. I remember when he rode our pony in two races on the same day. He won the junior race of ponies only; then he rode the same pony in a junior "horse" race later on the same day and won that race also. Two races in one day. Not surprising that he wanted to be a jockey. Rest in peace Billy. Condolences to all of the family. Diane Bruce
