I have good memories of Charles and just regret that we didn't spend more time together in recent years. Charles was my uncle. When my sister, Debbie, and I were teens, he took us both to Ocean City, MD for a weekend (in his red beetle Volkswagen). We had a great time. At a restaurant there, he showed me how to pick crabs. He let me drive his yellow mustang when I was about 16 ... I was so nervous about wrecking it. He was a super nice person and will be missed. Diana and family: our prayers are with you ... that our good Lord will comfort and strengthen you day by day. Much love, Brenda (and Tom) Leonard.

I have many great memories of Uncle Charles from childhood to adulthood. I don't think i have any bad memories of this great man. The greatest memories are the couple summer weekends Guy, Tim and myself spent with him at Smith Mountain Lake, we had a blast. The other was the most recent camping trip over this past summer. We had lots of laughs and even sat up till 2am talking old times and stories. The 1 memorable time is when Charles tried to drown me and save me within minutes. LOL! That was funny. Charles you will be missed by me and many, many others. Your memories will never fade. Until we meet again sir.

Heaven has gained a great angel. I will never forget Mr. Diffenderfer he has been a great neighbor. He knew I worked at the hospital and I had to be at work I am sure so when it would snow he would come up and plow our driveway for us. Him and my Dad were friends and he had such a huge heart. He never wanted to take anything from me for plowing the driveway or anything. All I could say is thank you. He was such a great person. In this difficult time of sorrow may his family find peace within God's name. RIP Mr. Diffenderfer you will be missed by so many friends and especially your family.

I got a C in 12th grade, Daddy took my car keys and made me ride the school bus for 6 weeks. I never got anything less than a B again in school or life. Daddy was like that, he had a soft heart but a firm hand and his lessons weren't just for that moment, they were for a lifetime. He was the best daddy a daughter could ask for, I hope I do him justice in carrying on his legacy.
