Mom words can't express how heartbroken we are. You lived your life for us kids and your grandchildren and we will all miss you so much. You are my best friend my confidante and i will always cherish all the memories we made together. You are finally at peace and in no more pain I try to take comfort in that everyday bc you fought a long hard battle. It makes me angry/said that you have fought so hard your entire life and you had to go out the way you did fighting. But God has you know and I hope you are rejoicing up there. Love you so much mom..
