My heart was absolutely crushed this morning when I woke and found out about Sarah's passing. Sarah and I were best friends as kids through school. From swim team, trips with each other's families (Pulaski, Disney, Hilton head, and more), sleep overs, kings dominion and so much more, we were like sisters growing up. We had talked about getting together in Florida but weren't able to make it happen. Sarah was the kindest, funniest person and a genuinely good soul. My heart and prayers are for her kids, husband and family.
