Mike I wish I could be as eloquent with words as you were. I have seen the words you shared with your classmates and, cried when I read the message for my mom when she passed away. You will be missed by all of the family. It was a comfort for us, to have you across the street to help keep an eye out for mom. You and your family were close to us always. We shared our love to you, Mom and Dad, like you all were family. As mom would say until we meet again, o:nen ki wahi. (Goodbye)

I never met Michael, but I knew he was a wonderful and caring when he sent me a message of condolence after my brother, Hunter "Butch" Bowler died in 2021. It touched me and comforted me. I read it at my brother's grave side as it detailed the essence of Hunter. May those who know Michael be blessed at this time of reflection. Wilbur Bowler

Michael was truly our closest friend on the planet and was always considered a family member. There are not enough words to express the sorrow in our hearts for losing such a great soul. He will be missed every day, but we know that your spirit will carry on. Goodbye for now, dear brother.

Michael will be missed! He was the administrator of our class FB page and we all enjoyed how he highlighted the memory of classmates. Mike left us too soon. His smile and creativity was an inspiration. He graciously shared his love of his pets, nature and music. I will continue to think of him each year when the hummingbirds visit. Prayers for peace to the family. We share in your grief. Michael was loved.
