Best aunt ever. I miss you already. I'll cherish our last video call for life. Don't take our loved ones for granted, we're only granted the time that God allows. I love you all

I miss my aunt Loretta more than anybody will ever know, she taught me young lady things when my mom was absent and she will be truly missed. She was very spunky and outgoing, we went to kings Dominion together, state fairs, and even went to a pool in Manassas several times. We had so much fun when we were all together like a real family. Loretta may not have known this, but her home was my safe get away from the abusive drunks that I had to live with. We all had some struggles then, but I wouldn't change a thing. I love and miss her so much. I wish I had more time with her. But God has called her home and she's no longer suffering and she's with her mom, daughter, sister and two nephews now, I know they were there waiting for her to take their hands. She had to do it all on her own, very strong woman.

I also remember we had a huge family reunion and she played kickball with us. And I remember the adults playing horse shoes. We had a ton of memories together. One time she picked me up and took me to get mc nuggets bc I was literally starving.

My mom went all the way to VA to make sure Loretta was getting correct care and set up hospice for her. They went to UVA cancer center to see if treatment would work.

Oh yeah, we used to go to summerduck together. We'd go to lake and swim together. I remember all of us riding on back of truck with tea and 🍉 and we went to swim.. I had so much fun with them.
