Mike and Chris. Terribly sorry to learn of your dad's passing. I remember him with great fondness. He was always kind and supportive. He and your mom were dedicated and most positively instrumental in the lives of many youth through little league baseball. I won't forget his guidance and coaching of me in those days. He, Ken Merling, and Bob slaughter gave great structure to that part of my life. God bless his memory. Love and prayers to you and your family. John L Rhodes, Jr.

Dear Mike and Chris — deepest sympathy to you and your family. Both your parents were awesome people, and so important to my own development. Your dad was the best for all that he selflessly did for young people through church, the Optimists, youth sports, etc., etc. He was a wonderful role model and will be missed. Kevin Gentry

Mike & Chris - I worked with your Dad at the State Police Office in Culpeper for many years. I worked in the office with the investigators & semi-retired from there in '95, but have so many fond memories of working with Larry. He was more than a co-worker; he was a friend who would do anything for anybody. He was funny, smart, kind & treated everyone equally. He also was the reason our kids (in their 30's now) started playing Little League baseball & softball there in Culpeper when they were young. He encouraged me to get them into the sports & they both loved it. Larry was very convincing to get you to do something, as you both know being his own children! Anyway, I know how much Larry loved his family & I'm sure you all have a void in your lives after his passing. Hold onto all your wonderful memories & remember that he's still watching over you. With sincere sympathy, Patty Stultz

Mike & Chris: Your father was a great, down-to-earth guy and a lot of fun to be around. His contributions to Little League Baseball in Culpeper were massive. I really enjoyed our trips to Baltimore with him to see the Orioles play. You are in my thoughts and prayers. Take care.

Mike Frank: I remember your dad when I was promoted to Investigator in Culpeper. Was always helpful to answer questions and give a helping hand when needed. Know he will be missed but truly not forgotten by those that had the privilege to have known and worked with him.

Mike and Chris, I remember your father well. I worked in Area 15 and he was at Division HQ when I was a Trooper. He was dedicated to his duties and helped me on cases many times. I enjoyed his "flower bed" planted sweet corn and his well cook hamburgers while relaxing on the back deck. Good man. Lots of fun and tall tells!! Lots of good memories too. He will be missed by all of us who had the pleasure of knowing him. John R. Quinley

Dear Mike and Chris: My name is Nancy Neff and my memories go back to little league when my boys, Troy and Steve, played baseball. My late husband, Claude Neff, and Larry did a lot of work at the little league field. A lot of good memories from those days. Your dad did a lot of

Dear Mike and Chris: Roger Mitchell, Sr., send his regrets. He remembers meeting your father when he was a dispatcher in Fairfax and Roger was a State Police Trooper and they met up again in Culpeper many years ago. He considered Larry a good friend. He remembers the toy collie, named Jake, who Larry taught to play dead. He has many fond memories of your dad and will miss him. God bless and comfort you.
