Oh, my, I am just hearing of Miss Pearl's passing. I am so sorry for your loss. I know Miss Pearl from Church in Maryland, starting from back in the 1980.s and for many years until she moved away. She and Essie were indeed two peas in a pod, always together and it was wonderful to see their close relationship. She was a wonderful woman of God. I am so happy for her as she is reunited with her dear husband "Honey", who I met many years ago in church, and of course Essie Mae and so many others gone before her. May God comfort the family and keep you until you meet her again.
