I have know Tim for about 23 years.. he was one of the best people I've had the pleasure of knowing.. he was quiet, but would give the shirt right off his back and help a friend with no questions asked.. this is so shocking and devastating.. I knew Tim and Lexy when they worked for kings dominion, and got to hold jade when she was just an infant.. Alyssa my daughter always called him uncle Tim.. we are both so sad this happened.. Tim was one of my ex husbands best friends and they would ride into work together everyday.. Tim we love you.. Rest Easy my friend 😞 until we meet again 🌹

I only had the privilege of knowing Tim for a short period of time However, he left some lasting impressions with me. First, it was obvious the amount of love and devotion he had for his family. Many times, he would talk of Lexi and the kids about the different events scheduled, the kids at work event, meeting up with family during the holidays. Second, his work ethic. Tim was dependable and could always be counted on no matter what. Third, his sense of humor Tim could find humor in everyday things, situations, or circumstances and with just one comment or a look he would have everyone around laughing. No doubt Tim will be missed by anyone that ever got a chance to know him. Truly a great Man. Alexis, Jade, and Josh, my deepest sympathies to you. Please know that you in our thoughts and prayers. I love this quote from Minster Peter Marshall, I know it has been a source of comfort to me in the past. Peter Marshall – "Those we love are with the Lord, and the Lord has promised to be with us. If they are with Him and He is with us, they cannot be far away." Dale Collins
