We have been out of town and saddened to just hear of Lois's passing. No finer lady ever lived. We were blessed to have her and Willie as neighbors for many years. I can't think of Luzianne coffee without remembering Lois or smiling when I remember Willie and his love of flashlights. What a wonderful couple. Lois's memory was so sharp and she was very fond of talking about her family and showing visitors her display of pictures. She loved all of you. Please know you are in our thoughts and prayers. Joan and Peggy and Family.. We are so sorry to hear of the passing of your mom and grandmother. It will be the little things that you remember..the smiles, her laughter- reflect on these things and it will help push away the pain you are feeling. You have always taken very good care of your mom and she was very lucky to have you. She loved you all so much! God bless each one of you. Joyce and Dennis
