Flo, you will be missed by me and my children. You were always so empathic with my girls and you cared so much for me and my family. You were Aunt Flo to us. I remember when I didn't want to go anywhere or do anything after having my youngest son and you just came and sat with me and him in my bed and visited. I was worried about the mess, but you didn't care. That was three years ago. Before there was social distancing. We love and miss you. I'm happy you are at peace with our Lord.
